

BEM Interactive To Host Exclusive Microsoft Community Connections Event

Free to Triad Business Community

Only Four U.S. Events Focused on Microsoft Small Business Users

GREENSBORO, N.C., April 19, 2010 – [BEM Interactive](#), an industry leader in interactive design, development and marketing, has been chosen by Microsoft as one of only four U.S. locations to host an exclusive *Microsoft Community Connections* event. The event, which will be held on Wednesday, May 5, 2010 from 8:30 a.m. to 10:30 a.m., is free and open to the public. However, participants must [register online](#) or by phone (336.851.0040, X 219) in advance. Space is limited.

Co-hosted by the Greensboro Chamber of Commerce, the event will be held at the new [BEM Education Center](#). Participants will get a firsthand look at how Microsoft Windows Small Business Server 2008, Windows 7 Professional, and Microsoft Office work together to save time, enhance productivity and organization, and protect data so small business owners can spend more time growing their enterprises.

The event includes a continental breakfast, short presentation, Q&A session with Microsoft technology experts, live product demos, and opportunities to win Microsoft software and Xbox games.

“BEM Interactive is proud to partner with Microsoft and the Greensboro Chamber of Commerce to host this important community event at our new BEM Education Center,” says Malinda Pengelly, founder and president of BEM Interactive. “Our business philosophy is about empowering our clients and supporting the community, so we are especially honored to have been selected as one of the few to host this informative technology event.”
